

From UTD's main campus, you can reach the Center for Vital Longevity by:

Take 75 North to I-35E North- go east on Campbell and turn right onto 75 (N Central Expressway). Take exit 1A toward I-35E/Waco, keep left at the fork to merge onto TX-366 Spur W, take the exit for I-35E/Denton, then exit at Empire Central (434A). From the service road, turn right onto Viceroy Drive. The building will be on your right. After you enter the driveway, take a left (up the hill) and park in visitor parking.

Take 75 North to 635 West to I-35E South- go east on Campbell and turn right onto 75 (N Central Expressway). Go west (right) on 635, then take the exit on the left for I-35E South. Exit at Regal Row (434B), take the first left (at Regal Row), and turn right onto Viceroy Drive. The building will be on your left. After you enter the driveway, take a left up the hill to park in visitor parking.

Take George Bush Turnpike West to I-35E South*- Go north on Waterview Parkway and turn left onto President George Bush Turnpike (190). Take the exit for I-35E South/Dallas, and then exit at Regal Row (434B). Take the first left (at Regal Row), and turn right on Viceroy Drive. The building will be on your left. After you enter the driveway, take a left up the hill to park in visitor parking. *This route has tolls.

COMPLIMENTARY PARKING

Upon arriving at 1600 Viceroy Drive, enter the property and take a left (orange arrow in photo at left). This will take you up a ramp to the main entrance and the visitor's parking circle.
